## *Midland RockHounds Campout Rules, Timelines and Restrictions*

First of all thank you for contributing your time and effort to the Midland RockHounds this season. Your attendance and support helps professional baseball thrive in the Permian Basin. Each season we have several youth groups that are allowed to camp out on the field after a specific game. This season the Boy Scouts will take part in a campout on the Field at Citibank Ballpark. Due to the fact that each of these campouts are scheduled prior to a game the following day and the fragile grass that has already withstood half of a season, I wanted to make a list for everyone so that they would know ahead of time what is and isn't allowed on the field. Also the campout will only be in the outfield. The infield area and dugouts are off limits. We ask that you are out of the ballpark the next morning by 9:00AM, the gate along the 1st base side will be left open for you to come and go if you need to.
