

Be Prepared... Prepared For Life

Zach Bias, Midland Marine and Eagle Scout

You Can Make A Difference!

By sponsoring a Merit Badge of your choice you will be helping nearly 6,000 young people of our Council be prepared to make the ethical and moral choices over the Scout Oath and Law. You will be reaching out to at-risk-youth. You will be providing Camperships to youth who come from destitute circumstances.

YOUR BENEFITS

The Merit Badge Sponsorship Program provides opportunities for youth in low-income and culturally diverse areas to grow physically, mentally, and morally in an after-school and weekend activities. By attending Scouting's structured, safe activities, Texas's young people do not have as much idle time to explore drugs, alcohol, or find themselves in as many per-pressure activities. The scouting program is a year-found effort because the pressures on our young people increase every day. There is no better time than now to help guide youth in positive directions.

We want to invite you to become a Merit Badge Sponsor. The Boy Scouts of America offer over 120 Merit Badges that allow boys to explore subjects from Astronomy to Woodwork. Become a Sponsor and help preserve our community's BEST natural resource and be recognized throughout the year through Newsletters (7 issues), the Annual Report, and many other publications.
