

Pre-Camp Swim Tests

Units may elect to take swim tests before arrival at camp. The following are the requirements for pre-camp swim tests:

1. Tests must be performed in accordance with BSA Swimming test standards.
2. Tests must be performed by a certified Lifeguard. (BSA or American Red Cross)
3. Tests must have been completed within 30 days of unit's arrival to BTSR.

Use the following form to record the results of the Troop's pre camp swim check. Please ensure you have all necessary signatures and copies of certifications in order to validate the test. Copy form as needed.

Pre-Camp Swim Test Roster Buffalo Trail Scout Ranch							
Troop #		Scoutmaster					
Council		Address					
Dates Attending		City	State ZIP				
Email Address		Phone #					
<p>This certifies that the unit above has conducted its own pre-camp swimming ability test following the guidelines in the Guide to Safe Scouting and the principles of Safe Swim Defense. Furthermore, this test was conducted under the guidance of a certified lifeguard, whose certification is attached. This test was conducted within 30 days of arrival to BTSR. The unit requests that this roster be accepted as the official swimming abilities of the named participants for aquatic activities at Buffalo Trail Scout Ranch.</p>		<p>Test must be conducted by a certified lifeguard, either BSA or American Red Cross. Copies of the lifeguard's certification and photo id must be attached to this form.</p>
