

The Ultimate West Texas High Adventure Camp

ABOUT BTSR

Nestled in the heart of the beautiful Davis Mountains in West Texas, this 9,000-acre ranch is one of America's premier High-Adventure council camps. The camp is nationally recognized and fully accredited by the Boy Scouts of America. In operation since 1947, this beautiful ranch has met the needs of Scouts, Scouters, and their families for over 60 years.

BTSR is located in the middle of Little Aguja Canyon of the Davis Mountains. (The camp is accessed off of Ranch Road 1832, just in between Fort Davis and Balmorhea, TX.) During the course of our 9 week camp, we serve over 3,500 youth and adult campers. There is a wide variety of traditional Scouting programs as well as some premier high adventure activities not found at many other camps. To operate this camp, we hire a camp staff of 75 young men and women from all over the state.

For every summer of service to BTSR, \$200 is earned towards this scholarship, and up to \$1600 can be earned. Half of the award is given in the fall and the other half is given in the Spring, upon receipt of proof of enrollment.
